## PROCEDURES

The information contained within the procedure is to be used as a guide and modified according to the services context.

### GENERAL ORIENTATION PROCEDURES

The time required for orientation and settling in will vary for each child and their family, therefore it is important to be flexible and individualise orientation for each family.

- Offer families the opportunity to visit the service at different times during the day/session, this allows the child and their family to become familiar with the various routines of the service
- Provide reassurance to the family that they may stay with their child for as long as they choose during orientation and once the child commences
- Provide the family with suggestions for developing and maintaining a routine for saying goodbye to their child
- Reassure the family:
  - they can leave their child initially for a shorter day, gradually increasing the length of time
  - they may call and speak to their child's early childhood teacher or educator(s) at an agreed time
  - the early childhood teacher/educators will keep them informed on how their child is settling in
  - they will be informed about any changes or circumstances which may affect them or their child.
- Further considerations may include but are not limited to:
  - during the day share via Storypark and update to the family on their child including a photo of the child (if the child has settled in) (*refer to the information and Communication Technology Policy*). **Note:** For children in out-of-home care, the educator may need to seek permission from Child Protection before taking and distributing photos of the child
  - asking the family how they have settled in and if they have any questions or concerns.
- Refer to *Attachment 2* for the general kindergarten registration and enrolment procedures
- Refer to *Attachment 5* for cancellation of enrolment and non-attendance procedures.

### BACKGROUND AND LEGISLATION

#### BACKGROUND

The *Education and Care Services National Regulations 2011* require approved services to have a policy and procedures in place in relation to enrolment and orientation (*Regulation 168(2) (k)*).

It is intended by 2022 that all eligible Victorian children (*refer to Definitions*) will have access to two years of kindergarten before commencing school. Where demand is higher than availability, approved providers must adhere to their eligibility and DE's Priority of Access criteria (*refer to Definitions and Attachment 1*) in order to allocate the available places. The criteria used to determine the allocation of places takes account of the requirements set out in DE's Kindergarten Funding Guide (*refer to*

*Sources*), the service's philosophy, values and beliefs, and the provisions of the *Equal Opportunity Act 2010*. The Victorian Government requires funded organisations to ensure that their policies and procedures promote equal opportunity for all children. Services participating in a central registration and enrolment scheme are required to comply with the registration and/or enrolment procedures of that scheme.

The Central Registration and Enrolment Scheme (CRES), co-designed by DE provides access to families to register for and secure a place for their children in kindergarten. It is a collaborative model that brings together councils, service providers, MCH staff, support services and other stakeholders to support children and their families. In 2020 more than half of all local councils across Victoria operate a form of central enrolment or central registration scheme. These schemes provide a single point of entry for families, simplifying the kindergarten enrolment process and improving equity of access.

Immunisations are an effective means of reducing the risk of vaccine preventable diseases. Early childhood education and care services which are regulated under the *Education and Care Services National Law Act 2010 and Education and Care Services National Regulations 2011* have legislative responsibilities under the *Public Health and Wellbeing Act 2008* to only offer a confirmed place in their programs to children with an Australian Immunisation Register (AIR) Immunisation History Statement (*refer to Definitions*).

## DEFINITIONS

The terms defined in this section relate specifically to this policy. For regularly used terms e.g. approved provider, nominated supervisor, notifiable complaints, serious incidents, duty of care, etc. refer to the Definitions file of the PolicyWorks catalogue.

**Access to Early Learning (AEL):** a program for a child who is at least three years old on April 30th in the year of enrolment, providing intensive support to eligible families with multiple and complex needs, assisting them to access universal kindergarten programs.

**Australian Immunisation Register (AIR) Immunisation History Statement:** The AIR is a national register administered by Medicare that records all vaccinations given in Australia, including to

children. In the case of medical contraindication, an authorised medical practitioner completes and signs a Medical Exemption Form and supplies it to the AIR (previous forms of documentation, for example a letter from a GP or local council, are no longer acceptable).

**Authorised nominee:** (In relation to this policy) is a person who has been given written authority by the parents/guardians of a child to collect that child from the education and care service. These details will be on the child's enrolment form.

**Children/families experiencing vulnerability and/or disadvantage** (in relation to this policy): children are vulnerable if the capacity of parents and family to effectively care, protect and provide for their long-term development and wellbeing is limited. Some factors which may contribute to a child experiencing vulnerability include: a child with a disability; living in a family with a low income, or one which is experiencing problems with housing, domestic violence, substance abuse, or mental health; known to child protection; in statutory out-of-home care; Aboriginal and/or Torres Strait Islander, having a culturally and linguistically diverse background; having a young or sole parent, or a parent with a disability (adapted from the Kindergarten Funding Guide)

**Children with additional needs:** Children whose development or physical condition requires specialist support or children who may need additional support due to language, refugee or asylum seeker experience, complex trauma, cultural or economic circumstances (*refer to Inclusion and Equity Policy*) (*refer to Children/families experiencing vulnerability and/or disadvantage Definition*).

**Central Registration and Enrolment Scheme (CRES):** CRES provides a single point for families to apply for multiple kindergarten services within a local government area, helping them secure a place that meets their needs and enabling funded kindergartens to work collaboratively with other services to engage vulnerable and disadvantaged families.

**Deferral:** When a child does not attend in the year when they are eligible for a funded kindergarten place or is officially withdrawn from a service prior to the annual confirmation in April DET considers that this child has not accessed a year of funded kindergarten and is therefore eligible for a DET funded kindergarten place in the following year.

**Early Start Kindergarten (ESK):** Early Start Kindergarten provides eligible children with 15 hours of free or low-cost kindergarten each week led by a qualified Victorian Institute of Teaching (VIT) registered teacher. ESK is available to children who are at least three years old by 30 April in the year they are enrolled to attend the program and are:

- from a refugee or asylum seeker background, or
- Aboriginal and/or Torres Strait Islander, or
- known to child protection.

These children can also access free or low cost year-before-school kindergarten through the ESK Extension Grant regardless of whether they have accessed ESK in the previous year.

**Early Start Kindergarten extension grants:** provides eligible children with 15 hours of free or low cost kindergarten each week led by a qualified VIT registered teacher. The ESK extension grants are available to children attending kindergarten in the year-before-school and are:

- not eligible for the Kindergarten Fee Subsidy
- from a refugee or asylum seeker background, or Aboriginal and/or Torres Strait Islander, or
- known to child protection.
- A child is not required to access ESK in the previous year to access the ESK extension grant.

**Eligible child:** as defined by the Victorian DE Kindergarten Funding Guide:

- a child who is at least four years old on 30 April in the year of attendance; enrolled for at least 15 hours per week or 600 hours per year in a Four-Year-Old Kindergarten; and not enrolled at a funded kindergarten program at another service
- a child who is at least three years old on 30 April in the year of attendance and is enrolled in a funded Three-Year-Old Kindergarten for a minimum of 5 hours per week

- any child that is enrolled in an early childhood and education and care service must have an AIR Immunisation History Statement that indicates that the child is fully vaccinated for their age or who qualifies for the 16-weeks grace period

**Enrolment record:** the collection of documents which contains information on each child as required under the National Regulations (*Regulations 160, 161, 162*) including but not limited to parent details; emergency contacts; authorised nominee; transportation authorisations, details of any court orders; and health information including immunisation status. Enrolment records are stored securely in the service due to their confidential nature.

**Kindergarten registration fee:** a payment to cover administrative costs associated with the processing of a child's enrolment application for a place in a program at the service, if applicable.

**Kindergarten registration form:** The process of families providing initial information about their child to confirm their intention to enrol in kindergarten, administered by the CRES Provider (*refer to Definition*) or by the kindergarten service. This includes collection of basic contact information, kindergarten preferences and any other details that may inform prioritised allocation in kindergarten (*refer to Attachment 2*)

**Grace period:** allows specific categories of children of families experiencing vulnerability and disadvantage to enrol and attend the service without an AIR Immunisation History Statement (*refer to Definitions*) or when the statement is assessed as not being up-to-date. Services complete the grace period eligibility form with families during enrolment, and keep a copy with the child's enrolment record. The 16-week grace period starts on the first day of the child's attendance at the service. During the grace period, the service is required to take reasonable steps to obtain the AIR Immunisation History Statement (*refer to Definitions*) and to encourage families to access immunisation services.

**Kindergarten Fee Subsidy (KFS):** Promotes kindergarten participation by enabling eligible children in funded three and four-year-old groups to access up to 15 hours of kindergarten delivered by a qualified early childhood teacher free of charge or at low cost.

**Local Government Area (LGA):** a geographic area governed by a local council or shire.

**Priority of access:** in instances where more eligible children apply for a place at a service than there are places available, the service must allocate spaces using the criteria outlined in the DE Kindergarten Funding Guide (*refer to Attachment 1 and Sources*).

**Registration:** The process of families and carers giving initial information about their child to confirm their intention to enrol in kindergarten, administered by the service provider/EYM/CRES Provider. This includes collection of basic contact information, kindergarten preferences and any other details that may inform prioritised allocation in kindergarten.

**School Readiness Funding:** funding provided by DE for programs and supports that builds the capacity of kindergarten services, educators and families to support children's learning and development outcomes.

**Second year of funded four-year-old kindergarten:** second year eligibility may be considered when a child shows delays in key outcomes of learning and development. An assessment is carried out for each child by an early childhood teacher in Term 4 (the year before the child is to attend school) when a second year is being considered.

## ATTACHMENT 1. ELIGIBILITY AND PRIORITY OF ACCESS CRITERIA

### FOR A FUNDED KINDERGARTEN THREE OR FOUR-YEAR-OLD KINDERGARTEN PROGRAM

The approved provider must notify all families of the priority of access (PoA) policy that applies when they enrol their child.

In instances where more eligible children apply for a place at a kindergarten service than there are places available, services must:

- prioritise children based on the Department of Education (DE) criteria listed in the table below
- work with other local kindergarten services and the regional DE office to ensure all eligible children have access to a kindergarten place.

These criteria must be used by the approved provider when prioritising enrolments. Guidance is available from the Department's regional offices if required.

Service providers should build flexibility into their enrolment processes that consider the circumstances of families from priority groups.

If participating in a central registration and enrolment scheme, the CRES provider will allocate places in accordance with DE's PoA criteria, and other local criteria if applicable.

Services must first apply the DE's PoA criteria, and following this may apply locally developed criteria, as per examples below.

All information relating to PoA criteria should be respectfully collected from families upon enrolment, recorded in the child's confidential enrolment record and entered into the Kindergarten Information Management (KIM) system, where applicable.

#### DE's Priority of Access criteria

High priority children	Criteria and processes for verifying need(s)
<b>Children at risk of abuse or neglect, including children in Out-of-Home Care</b>	<p>The child is:</p> <ul style="list-style-type: none"> <li>• eligible for ESK or AEL, and/or</li> <li>• family, carer or legal guardian identifies the child as known to Child Protection or in out-of-home care, and/or</li> <li>• referred by one of the following: <ul style="list-style-type: none"> <li>• Child Protection</li> <li>• Child and family services (family services referral and support team, Child FIRST/integrated family services/Services Connect case worker)</li> <li>• Maternal and Child Health nurse</li> <li>• out-of-home care provider.</li> </ul> </li> </ul>
<b>Aboriginal and/or Torres Strait Islander children</b>	As part of the enrolment process, service providers must respectfully ask families 'is your child Aboriginal and/or Torres Strait Islander?' and record this information in KIMS
<b>Asylum seeker and refugee children</b>	<p>Child or family holds a visa or supporting documentation and information, including an ImmiCard, identifying the child and/or parents, carers or legal guardians as a refugee or asylum seeker and/or</p> <p>Referred as a refugee or asylum seeker by a CALD outreach worker.</p>
<b>Children eligible for the Kindergarten Fee Subsidy</b>	<p>A child or parent holds a Commonwealth Health Care Card, Pensioner Concession Card, Veteran's Affairs Card, or</p> <p>The child is identified on their birth certificate as one of a set of triplets, quadruplets or more.</p>
<b>Children with additional needs, defined as children who:</b>	<p>The child:</p> <ul style="list-style-type: none"> <li>• holds a Child Disability Health Care Card, and/or</li> <li>• has previously been approved for Kindergarten Inclusion Support (KIS)</li> </ul>
<ul style="list-style-type: none"> <li>• require additional assistance in order</li> </ul>	

<p>to fully participate in the kindergarten program</p> <ul style="list-style-type: none"> <li>require a combination of services which are individually planned</li> <li>have an identified specific disability or developmental delay</li> </ul>	<p>program, and/or</p> <ul style="list-style-type: none"> <li>has been referred by: <ul style="list-style-type: none"> <li>the National Disability Insurance Scheme</li> <li>Early Childhood Intervention Services</li> <li>Preschool Field Officer</li> <li>Maternal and Child Health nurse, or</li> <li>is assessed as having delays in 2 or more areas and is declared eligible for a second year of funded Four-Year-Old Kindergarten.</li> </ul> </li> </ul>
---	---

#### Examples to consider for second priority

- children who turn four years of age by 30 April in the year they will attend kindergarten; or
- children who turn three years of age\* by 30 April in the year they will attend kindergarten
- children turning six years of age at kindergarten who have been granted an exemption from school-entry age requirements by the regional office of DET
- children who have a sibling that has previously attended the same kindergarten as their first preference
- home address falls within the same suburb as the kindergarten
- family lives, works, studies or attends child care in [LGA]

#### Examples to consider for third priority

- service for transient families e.g. RAAF, seasonal workers and tourism workers
- date of application
- local community zoning
- full fee paying families

**Note:** DE's PoA guidelines are to ensure that kindergarten programs are available to those children who stand to benefit the most from attending early education. In mixed age groups, PoA guideline will equally prioritise three and four-year-old children that are considered high priority. Where programs for three- and four-year old children are provided separately, the PoA criteria will be applied separately for each age cohort.

#### \* Early Start Kindergarten and Three-Year-Old Kindergarten

During the roll-out of Three-Year-Old Kindergarten, Early Start Kindergarten (ESK) (*refer to Definitions*) will continue to provide 15 hours a week of funded kindergarten for all eligible children up until 2029, when three-year-old children across the state will have access to 15 hours

It is important to continue to enrol eligible children in ESK, even if funded Three-Year-Old Kindergarten is available at the service.

The Kindergarten Funding Guide 2023 states for ESK funding, service providers should:

- provide up to 15 hours in a kindergarten program free of charge and maximise access to 15 hours of kindergarten (children accessing ESK can be enrolled in a 3-year-old group, a 4-year-old group, a mixed age group or a combination of groups in order to access the full 15 hours per week)

This guarantees that children experiencing vulnerability will continue to be enrolled in the full 15 hours of kindergarten in all service settings, including long day care. It also ensures that service providers can continue to receive all funding entitlements.

Service providers are expected to continue to provide the full 15 hours funded through Early Start Kindergarten, even in instances where three-year-old groups are being offered fewer than 15 hours.

ESK is available to children who turn three years of age by 30 April in the year of enrolment and who:

- are Aboriginal and/or Torres Strait Islander
- are known to Child Protection
- have a refugee or asylum seeker background\*

\*Children/families without a current refugee visa or ImmiCard who have a recent refugee experience may be eligible by exception for Early Start Kindergarten, for more information contact your local Department of Education and office.

### Eligibility

#### Age

Children will be eligible for kindergarten only if they meet the following age criteria:

- To be eligible for Three-Year-Old Kindergarten, the child must turn 3 by April 30 of year of commencement
- To be eligible for Four-Year-Old Kindergarten, the child must turn 4 by April 30 of year of commencement

#### Immunisations

According to the No Jab, No Play law in Victoria, your child must be fully vaccinated to start kindergarten. An Immunisation History Statement from the Australian Immunisation Register is not required for this registration form, but you should ensure that your child's immunisations are up to date and you have a copy of this statement before commencing the enrolment process that will likely happen in October.

A grace period applies for families who may find it difficult to provide an up-to-date statement by October.

Further information on immunisation requirements for enrolment in early childhood services is available through the DE website: [www.education.vic.gov.au](http://www.education.vic.gov.au)

#### Priority of access

Renown Kindergarten follows the Department of Education's Priority of Access criteria (*refer to Attachment 1*), that prioritises allocation of kindergarten places for children who:

- Are at risk of abuse or neglect, including out of home care
- Are Aboriginal and/or Torres Strait Islander
- Are, or have parents or carers who are, asylum seekers or refugees
- Are eligible for the Kindergarten Fee Subsidy (hold a valid concession card or are a triplet or quadruplet)
- Have additional developmental needs.

Children that fit one or more of those criteria will be allocated to a place in kindergarten as a high priority. The registration form will collect all the information required to determine if a child is eligible for Priority of Access.

#### Selection criteria if there are more applications than places available

- High Priority children - Children at risk of abuse or neglect including children in Out-of-Home Care, children who are identified as Aboriginal and/or Torres Strait Islander, children with additional needs who require additional assistance to participate in kindergarten, require a combination of services which are individually planned and/or have an identified specific disability or developmental delay, asylum seeker and refugee children and children eligible for the Kindergarten Fee Subsidy.
- Children currently enrolled at Renown:

- Students moving from the 3-year-old to the 4-year-old programs
- Second year students: students who have been granted a second year of 4-year-old kindergarten
- Children who were eligible to attend the previous year and for whom an application form was submitted but either deferred or withdrew from the service before the last day of term one.
- Siblings of children who have attended Renown.
- Children who reside in the City of Stonnington.
- All other non-residents of the City of Stonnington.

## **Fees**

Families will be asked to pay a one-time non-refundable application fee for kindergarten registration. Families eligible for Kindergarten Fee Subsidy will not have to pay the application fee of \$50.

Families will be expected to pay Term Fees for their program, unless the family is eligible for Kindergarten Fee Subsidy and their child will attend kindergarten free of charge or at a discounted rate.

Refer to the *Fees – Funded Kindergarten Policy* for more information.

## **Dual Programs**

Children will be admitted to one program per year only. Requests from families for a child to attend two programs simultaneously (dual program) will be accessed on a case by case basis and will take into account the following:

1. Current enrolment numbers
2. Current waitlist
3. Specific needs of the child

## WAITLIST APPLICATION FORM EXAMPLE 3YO AND 4YO

### Renown Kindergarten Application Form (available online)

If you would like to place your child on the waitlist at Renown Kindergarten please complete the following form.

Please note children who turn 3 years old between the commencement of Term 1 and 30th April will be allocated a place but cannot attend without a parent or guardian present during the entire session until they turn 3 years old. This is to ensure that Renown is meeting the regulations, mandated by the Department of Education, around child and staff ratios for children under 3 years of age. Parents accepting a position for a child, who will not have turned 3 years by the commencement of Term 1, are still required to pay the full term fees to secure the place, even if the child does not attend. You may choose to enrol closer to your child's birthday to avoid paying fees, however we cannot guarantee there will be vacancies at this time.

Please Note: we will accept applications anytime in the year your child turns two. At the end you will be asked to pay a non-refundable \$50 waitlist fee via credit card.

## ATTACHMENT 3. LETTER FOR PARENTS/GUARDIANS WITHOUT ACCEPTABLE IMMUNISATION DOCUMENTATION

Renown Kindergarten  
20 Cliff Street, South Yarra VIC 3141

[Insert date]

Dear [insert name]

Re: Enrolment at Renown Kindergarten for [insert year]

I am contacting you regarding your tentative place for [insert child's name] at Renown Kindergarten in the [insert 3 year old or 4 year old program] in [insert year].

Under the *Public Health and Wellbeing Act 2008* early childhood education and care services cannot enrol a child unless the parent/guardian has provided AIR Immunisation History Statement.

AIR Immunisation History Statement includes evidence of immunisations and is used to assess whether your child is fully vaccinated for their age.

As we have not received acceptable immunisation documentation for [insert name of child] by the due date, and your child is not eligible for the 16 week grace period, we are unable to confirm a place at our service for [insert year] and your child's name has been removed from our list.

Immunisation programs are effective in reducing the risk of vaccine preventable diseases. Immunisation from an early age helps protect your child against serious childhood infections. Further information about immunisations for your child is available from:

- your doctor
- [insert details of local government immunisation service]
- National Immunisation Information Line Tel. 1800 671 811
- Australian Immunisation Register: [www.servicesaustralia.gov.au/individuals/services/medicare/australian-immunisation-register](http://www.servicesaustralia.gov.au/individuals/services/medicare/australian-immunisation-register)
- Better Health Channel website: [www.betterhealth.vic.gov.au/campaigns/no-jab-no-play](http://www.betterhealth.vic.gov.au/campaigns/no-jab-no-play)

Should you wish to re-apply for a place for [insert child's name], we are happy to accept a new enrolment application accompanied by an AIR Immunisation History Statement. The new application would be considered in line with Renown Kindergarten's *Enrolment and Orientation policy*.

Yours sincerely

Sally Norman

Director

Renown Kindergarten

## ATTACHMENT 4. CANCELLATION OF ENROLMENT AND NON-ATTENDANCE

### FOR FUNDED KINDERGARTEN

#### Cancellation of Enrolment

Families MUST notify Renown Kindergarten and/or an Enrolment Officer in writing of their intention to cancel their child's enrolment. Families are required to give Renown Kindergarten 4 weeks notice of their intention to withdraw from a program including Extended Care. This notice requirement also applies to decreases in the number of sessions a child is enrolled in Extended Care. Fees will continue to be generated for that place until the Renown Kindergarten is notified.

**Note:** This process does not apply to vulnerable children (*refer to Definitions*). Children and families that are experiencing vulnerability are to be supported according to their individual needs. Where children/families are linked to Child Protection and not attending; early childhood teacher or educator will need to inform their Case Officer.

#### Non-attendance

##### Term One

- Families that have accepted a placement and have not completed an enrolment form and not attended the service within the first 3 weeks of Term One will be contacted and informed their placement has been cancelled.

##### Families Traveling Overseas

- Families are required to notify Renown Kindergarten prior to extended periods of travel, and ensure any applicable fees are paid if they wish to return to the service.

##### Non-contactable Families

- After two/three weeks of a child not attending the service, early childhood teacher or educator to call the family. If there is no response, educator to log this attempt and place in the child's file.
- After second week of the child not attending and the family has made no attempts to contact the service, early childhood teacher or educator to contact the family via phone/text and/or email. If there is no response, Educator to log this attempt and place in the child's file.
- After third week of non-attendance, early childhood teacher or educator to inform nominated supervisor and cross check families contact details.
  - Nominated supervisor or approved provider to email family, ensuring a response date is documented in the email.
  - If the family have made no attempt to communicate with the service before the response date, post a final attempt letter, ensuring a response date is documented in the letter.
  - If the family has not responded to the final attempt letter before the response date, their placement will be cancelled.
